

## PRODUCT-DETAILS

# MBR302

## MBR302 Set Busbar Module

### General Information

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| Catalog Description   | MBR302 Set Busbar Module                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Long Description      | Interior fitting module, CombiLine, Modular distribution panel not assembled, for Busbar system 60 mm horizontal, Grid unit 2 GU = 300 mm, panel width 3 = 750 mm, 72 Space units, , usable width of 640 mm, unequipped for the installation of D0- and NH-fuse switch disconnecter or fuse holder element D02, E27, E33, for busbar system 3 -pole, Busbar alignment: horizontal, with busbar holders ZX146, Busbar center distance: 60 mm, for maximum 3 Cu busbars, (busbars must be ordered separately), rated current maximum 440 A, covers out of Plastic, 90 degree press and turn closure, RAL 7035, Design of the cover: with cut-out, usable as of the cabinet depth of 225 mm |

### Ordering

|                        |               |
|------------------------|---------------|
| EAN                    | 4011617418276 |
| Minimum Order Quantity | 1 piece       |
| Customs Tariff Number  | 85381000      |

### Dimensions

|                            |        |
|----------------------------|--------|
| Product Net Width          | 750 mm |
| Product Net Height         | 300 mm |
| Product Net Depth / Length | 225 mm |

Product Net Weight

2.526 kg

### Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | pack 1 piece  |
| Package Level 1 Width          | 505.000 mm    |
| Package Level 1 Height         | 55.000 mm     |
| Package Level 1 Depth / Length | 750.000 mm    |
| Package Level 1 Gross Weight   | 2.627 kg      |
| Package Level 1 EAN            | 4011617418276 |
| Package Level 2 Units          | 12 piece      |
| Package Level 2 Width          | 830 mm        |
| Package Level 2 Height         | 1710 mm       |
| Package Level 2 Depth / Length | 1210 mm       |

### Additional Information

|                           |                                  |
|---------------------------|----------------------------------|
| Color                     | light grey                       |
| Device                    | D02, E27, E33                    |
| DIN Place Units           | 72                               |
| Enclosure Type            | Interior fitting module          |
| Enclosure Type of Height  | 000                              |
| Field Width               | 3                                |
| Fuse Type                 | D02                              |
| Interior Depth            | 225 mm                           |
| Meter Boards              | 0                                |
| Module Function           | Busbar system 60 mm horizontal   |
| Mounting Type             | Rail system                      |
| Number of Poles           | 3                                |
| Operational Voltage       | 400 V                            |
| Product Main Type         | MBR                              |
| Product Name              | MBR302 Set Busbar Module         |
| Rated Current ( $I_n$ )   | 440 A                            |
| Rated Operational Voltage | Maximum 400 V                    |
| Standards                 | DIN EN 61439-3<br>DIN EN 61439-2 |

### Certificates and Declarations (Document Number)

|                                   |                                    |
