

CUBE20S POWER MODULE

24VDC + 5VDC/2A

Power module
Expansion module
for external voltage supply and internal backplane

General data

Protection	IP20
Connection	Spring clamp terminals: 0.08...2.5 mm ² (AWG 28...14)
Mounting method	DIN-rail mountable (EN 60715)
Temperature range	0...+60 °C (storage temperature -25...+70 °C)
Dimensions H×W×D	109×12.9×76.5 mm

Module supply

Operating voltage	max. 28.8 V DC
Total current	max. 6 A

Output

Output current (I/Os /Backplane)	4 A/2 A
Output voltage (I/Os /Backplane)	24 V DC/5 V DC

Commercial data

country of origin	TH
customs tariff number	85369010
EAN	4048879422895
eClass	27242610
Packaging unit	1
