Technical Data

Operating voltage	24 V DC
Material group	EN 60664-1 over voltage, category III
Operating current per bit	max. 10 A

General data

Mounting method	DIN-rail mountable (EN 60715)
Temperature range	-20...+60 °C
Connection	Push-In spring clamp terminals: 1.0 mm ² single core
Dimensions H×W×D	75×45×65 mm

Commercial data

country of origin	CZ
customs tariff number	85369010
EAN	4048879315692
eClass	27143424
Packaging unit	1.000
