Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Practical and robust case for storing the THERMOMARK GO and THERMOMARK GO.K mobile printers as well as accessories. The case offers space for 9 material cartridges and maximum flexibility for all transport situations thanks to the proven L-BOXX system.

Your advantages

- 1 case, 2 options: The interior is compatible with both the THERMOMARK GO and the THERMOMARK GO.K
- Easy and efficient storage and transportation of your mobile printing system
- Ideal protection of your printing system in all everyday situations thanks to resistant materials and a securely closing buckle
- Everything needed, always available in the field: The case has sufficient space for your printing system, including accessories and for 9 material cartridges
- Maximum flexibility for all transport situations with the proven L-BOXX system
