Specifications

## SmartX Controller - Terminal Base, For AS-P

SXWTBASW110002

EAN Code: 7332552011177

### Main

|                           |                                |
|---------------------------|--------------------------------|
| fixing mode               | By claws                       |
| Width                     | 90 mm                          |
| Electrical connection     | Connector                      |
| Product or component type | Terminal base                  |
| Device short name         | TB-ASP-W1                      |
| Height                    | 114 mm                         |
| Range                     | EcoStruxure Building Operation |

### Complementary

|                     |                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------|
| Number of slots     | 1                                                                                                    |
| Product brand       | Schneider Electric                                                                                   |
| Quantity per set    | 1                                                                                                    |
| Range compatibility | EcoStruxure Building Operation AS-P controller<br>EcoStruxure Building Operation AS-P-SMK controller |

### Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 11.6 cm |
| Package 1 Width              | 10.6 cm |
| Package 1 Length             | 4.2 cm  |
| Package 1 Weight             | 100 g   |

### Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | SE |
|-------------------|----|

### Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Environmental footprint

|                                                        |                |
|--------------------------------------------------------|----------------|
| Total lifecycle Carbon footprint                       | 7 kg CO2 eq.   |
| Carbon footprint of the manufacturing phase [A1 to A3] | 4 kg CO2 eq.   |
| Carbon footprint of the distribution phase [A4]        | 0.1 kg CO2 eq. |
| Carbon footprint of the installation phase [A5]        | 0 kg CO2 eq.   |
| Carbon footprint of the use phase [B2, B3, B4, B6]     | 2 kg CO2 eq.   |
| Carbon footprint of the end-of-life phase [C1 to C4]   | 0.3 kg CO2 eq. |

## Use Better

### Materials and Substances

|                                        |                                      |
|----------------------------------------|--------------------------------------|
| Packaging made with recycled cardboard | Yes                                  |
| Packaging without single use plastic   | Yes                                  |
| <a href="#">EU RoHS Directive</a>      | Compliant with Exemptions            |
| SCIP Number                            | D8ffe8b2-86f4-4096-acac-7b6a031469de |
| REACH Regulation                       | <a href="#">REACH Declaration</a>    |
| Halogen-free status                    | Halogenated flame retardants free    |
| PVC free                               | Yes                                  |
| Silicone-free                          | Yes                                  |

## Use Longer

### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

## Use Again

### Repack and remanufacture

|                                 |                                                                                                                                                                                                                 |
|---------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Recyclability potential, in %   | 0                                                                                                                                                                                                               |
| End of life manual availability | <a href="#">End of Life Information</a>                                                                                                                                                                         |
| Take-back                       | No                                                                                                                                                                                                              |
| WEEE Label                      |  The product must be disposed on European Union markets following specific waste collection and never end up in rubbish bins |
