

# ABS7EC3AL

plug-in solid state relay- 12.5 mm - input - 5 V  
DC TTL

## Main

|                           |                           |
|---------------------------|---------------------------|
| Range of product          | Advantys Telefast ABE7    |
| Product or component type | Plug-in solid state relay |
| Relay type                | Input relay               |
| Quantity per set          | Set of 4                  |

## Complementary

|                         |  |
|-------------------------|--|
| Width pitch dimension   | 12 mm                                      |
| Product compatibility   | ABE7P16F310<br>ABE7P16F310E<br>ABE7P16F312 |
| Discrete input voltage  | 5 V DC                                     |
| Discrete output voltage | 5...24 V DC                                |
| Product weight          | 0.014 kg                                   |

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
