

## S3UM 24VAC UM 208/400/480VAC

837300

Voltage monitoring relay for monitoring overvoltage and undervoltage values; 40 - 400 Hz; Measuring voltage 208/400/480 V AC Width: 22.5 mm; UB 24 V AC.

### Technical details

|                               |                                                                                      |
|-------------------------------|--------------------------------------------------------------------------------------|
| Certifications:               | CE;CCC                                                                               |
| Application options:          | Voltage monitoring                                                                   |
| Supply voltage (V):           | 24,0                                                                                 |
| Supply voltage type:          | AC                                                                                   |
| Terminal type:                | Screw terminal                                                                       |
| Terminal style:               | fixed                                                                                |
| Operating modes:              | Normally de-energised mode;Fault non-latching;Fault latching;Normally energised mode |
| Number of auxiliary contacts: | 1                                                                                    |
| Width dimension:              | 22.5 mm                                                                              |
| Height dimension:             | 87.0 mm                                                                              |
| Depth dimension:              | 122.0 mm                                                                             |
| Gross weight:                 | 170 g                                                                                |
| Net weight:                   | 160 g                                                                                |
| Ambient temperature:          | -15 - 55 °C                                                                          |
