ConCept Bus is excellent for the transmission of highly sensitive signals in heavy-duty connectors.

The ConCept connector system consists of multi-function, compact modules that provide excellent protection from electromagnetic fields, moisture, dust and aggressive mechanical forces.

By combining them with additional modules, you can connect the power supply and additional signals for field devices within a single connector.

General ordering data

Version	Heavy-duty connectors, HDC insert, ConCept module
Order No.	1908490000
Type	HDC CM Bus F2
GTIN (EAN)	4032248616978
Qty.	1 pc(s).

Creation date March 26, 2021 7:20:38 AM CET

Catalogue status 12.03.2021 / We reserve the right to make technical changes.
